Glimpse of the RUSA Component 7 (Summary)

With reference to letter No. KCG/RUSA/2015-16/3011 dated 11/02/2016, BDK Arts and Commerce College, Gadhada (Swa.) has been disbursed a grant of total Rs. 25,00,074/- under RUSA Component-7 through KCG. From the aforesaid amount of grant under Comp-7, a purchase of books, journals, magazines/periodicals and computers worth Rs. 17,82,327 was made for the year 2016-17. Further, in the year 2018-19 from the balance amount of grant, Rs. 5,10,730 was utilized for paying of the subscription fees of the journals. This amount was well spent as per the guidelines of KCG.

Thus, from the year 2016 to 2019, the college succeeded in establishing the well-enriched library from the amount spent under Comp-7. The students are taking maximum benefit of the books, journals and magazines so purchased under Comp-7. It turned out to be a blessing for the students at a remote centre like ours wherein there are very limited nearby resources for reading available and it motivated our students to form a regular reading habit with easily available resources. Further, the students will also get connected to the digital world through the computers purchased under the said grant.

The balance, unutilized amount of Rs. 2,06,981 as on 31/03/2019, would be utilized in future in an appropriate manner following the guidelines framed by MHRD.

Future Plan of action:

In order to utilise the balance amount under Comp-7, it is planned to use the fund in developing digital/smart classrooms as well as purchasing gym/sports equipments, whereby extending the maximum benefit to the students.

Glimpse of the RUSA Component 12: (Summary)

With reference to Letter: KCG Order No. KCG/RUSA/12/2017/2677-2746, dated 17/10/2017, Bhaktraj Dada Khachar Arts and Commerce College, Gadhada (Swa.) has been allotted a grant of total Rs.10,86,956.52/- (Rupees Ten Lakh Eighty Six Thousand Nine Hundred Fifty Six and Fifty two paise) under Component-12 of RUSA through KCG, Ahmedabad in the year 2018-19.

For the utilization of the aforesaid amount, the college has collaborated with AISECT Skill Mission, Ahmedabad and selected a "Domestic Data Entry Operator" course for its final year students. The said party was selected following the complete procedure and directions issued by KCG. The college also reported to KCG about the same, timely.

Payment Scheme:

From the above mentioned allotted grant, the payment was made strictly adhering the guidelines received from KCG, Ahmedabad time and again. As per the guidelines received, the first installment (30%) i.e., Rs.1,21,968/- (Rupees One Lakh Twenty One Thousand Nine Hundred and Sixty Eight) is to be paid once the actual training starts and that is duly paid to the party accordingly. Further, the second installment (50 %) needs to be released when the assessment of the enrolled students takes place, which is to be done within a short period of time. Finally, the third and last installment is to be made only after the final placement of the students, which will be done only once the assessment & evaluation procedure gets over.

Course Details:

Total 28 students are enrolled in the said course which commenced on 27/08/2018 and ended on 20/03/2019. The Course comprises of total 440 hrs. of total training.

Benefits to Students:

The students not only got acquainted with the basic computer skills, which is a must for their bright future, but also sharpen up their skills into actual data entry operations. Apart from it, they also got enriched with new technical computer related jargons which would definitely give them an edge over others, especially they being from a Gujarati medium college.

Future Plan of Action:

The unutilized amount would further be effectively used for running new course/s in the next academic year benefitting the students, at large.
